Dear Mr. Karp:

I just wanted to take a minute to thank you and your staff (particularly Ms. Farrington) in helping me get thru the process of completing my dad's paperwork. Ms. Farrington has made the process painless. Her prompt, reassuring and knowledgeable responses have made a significant impact on my stress level! Although she may not be from the Bronx, we certainly "speak the same language" !

I am sorry I didn't get the pleasure of meeting you personally when I visited my dad in Florida but our initial phone conversation at least reinforced my gut feelings after researching your firm on the Internet. It certainly didn't hurt that you once worked up here in Bronx courthouse!

While I realize that you may not often get to view the whole picture of your clients and their families, I wanted you to know that the services you have provided have allowed me to focus on the more important personal issues with my father. To plagiarize a phrase from Master Card....."this has been priceless for me"

Most important, please don't lose that "Bronx" accent!... That too is priceless.

Sincerely,
